THE CANTATA SINGERS, founded in 1964, is a concert choir dedicated to the performance of sacred choral music. Members represent nearly every major Christian body, thus bringing to the group a breadth not found in individual parish choirs and other choruses, and giving to the community a concrete expression of ecumenical cooperation and understanding. Membership is open to all those who have a deep interest in singing great sacred music, an adequate singing voice, the ability to read music and the sincere intention of attending all rehearsals and participating in all concerts during a given season. The programs given by The Cantata Singers are given without admission charge, but are dependent largely upon your contributions at each concert.
