

# FESTIVAL OF Women IN THE ARTS

CELEBRATING WOMEN'S HISTORY MONTH  
MARCH 2011

The Cantata Singers sponsor The Festival of Women in the Arts, an annual celebration of the power of the 'creative feminine', held throughout March, Women's History Month, since 2008. Festival events continue to feature and celebrate the creativity and talent of women in all the arts, including, poetry and prose, music, dance, photography, sculpture, theater and much more. You are invited to join us at one, many or all of the events throughout the month. Most events are free and open to the public and all are informative, entertaining and uplifting. Tax deductible contributions to support the Festival may be made at [www.cantatasingers.com](http://www.cantatasingers.com).
